

Full Moon of Sagittarius, ninth Full Moon of this Astrological Year, on Thursday, December 8, 2022 at 07:07:59 in Romania:

The main Keynote or phrase to consider for all Sagittarius Full Moons (each year): **“I see the goal. I reach that goal and then I see another.”** The Sagittarius Full Moon Keynote of Light each year is: **“A beam of directed, focused Light. (Hint 1: In this the point of light becomes the beam, revealing a greater light ahead and illumining the way to the centre of the light).”** Consider the Keynotes at, or as close to, the time of the Full Moon as possible and what it might mean as a Group. Each of the constellations also have at least one, but also as many as five, Ray determining energies by which they rule and of which they rule. **The main Ray energy of Sagittarius is Ray 6.** So, Sagittarius has a main energy of Devotion or Idealism. It is a recommendation to consider the Sagittarius Keynotes as Ray 6 Keynotes. This is a direct correspondence to the information of our Color Consultations and the way this same Ray determining effects us individually and in our relationship to our group. So, our Color Consultation information can be reviewed and related to each of the Full Moon determining energies to determine the possible effects and opportunities each Full Moon offers each of us personally and in relationship with the group. This is explained and expanded upon from Esoteric Astrology (EA) in general in Addendum 1 from the past Aries Full Moon report (from April 2021). This year we will add information on how each constellation works as a quaternary in what are called the 3 Crosses. Addendum 1 from the April 2022 Full Moon report (eight months ago) is a general introduction about the 3 Crosses, formed by the 12 Astrological signs, taken from EA. Addendum 1, below, relates specifically to Sagittarius and how it fits into the Crosses. Sagittarius is the ninth sign of the new Astrological year and the sixth of the nine distributing energy and consciousness Full Moons of the year. It is part of the Mutable Cross. It helps bring a continuing energy to the lower distribution cycle for the astrological year after the first three building months of Aries, Taurus, and Gemini (April, May, and June).

A. Notes on this coming Full Moon of December/Sagittarius:

- 1. Watch for any impressions** that may come to you before the Full Moon that may relate to the Ray 6 Keynotes and your specific Rays (from your Color Consultations), especially two days before the Full Moon, the day of the Full Moon and two days after the Full Moon. **If you want to share** any of your impressions with us please do. If you want any impressions shared with the group let us know and we will include them in the next month's meditation notes.
- 2. This is the ninth of twelve Full Moons of this Astrological year** and is the sixth of the nine different 'Distributing Consciousness and Energy' full moons of this astrological year. The energy which is built and gathered during the past, first three 'Building' Full Moons at the beginning of the astrological year, which is also called the 'higher interlude', is now distributed over the next nine Full Moons during the end of the astrological year, which is also called the 'lower interlude'.
- 3. Addendum 1 from last year's Full Moon report of Aries (from April 2021) gives reference into more insight and inspiration for how to** view some of the expanded awareness of these monthly and yearly Full Moon cycles as we enter into the forth Astrological Year of this group formation and the group's beginning functioning.
- 4. Addendum 1 from April 2022's Full Moon report of Aries (eight months ago)** is a general introduction about the 3 Crosses, formed by the 12 Astrological signs, taken from EA.
- 5. Addendum 1 below will give this month's expansion of how the qualifying energies of the monthly astrological sign, Sagittarius,** fit into the three 'Crosses' or quaternaries of constellations formed by the 12 signs which may be effecting us and how to respond to the various opportunities these Crosses of energies present to our group including each individual.
- 6, The Winter Solstice also occurs after the Full Moon on Wednesday December 21, 2021 at 23:47:00 in Romania. This is the time of growth of the new Growing Cycle** that began on the Fall Equinox this past September and can be considered also a time for meditation.
- 7. The 2022-3 astrological year Annual Keynote is,** “LET THE LIGHT OF THE SEVEN RAYS BLEND WITH THE SEVENTH RAY, AND LIGHT SUPERNAL USHER IN THE NEW CIVILIZATION.”

B. Notes and Activities on or since the last Full Moon November/Scorpio:

- 1. SuonAngelMiriam meditated at the time of the new and full moon together. We had what we consider** meditations of positive distributing of this astrological year's continuing of the Lower Interlude.
- 2. SuonAngel are talking with 2023 Timisoara Cultural Capital office about a cooperative event possibly named 'SAMatate'** between Favisan, BFL/SolarCity (The Natural Way Assoc. - TNWA),

the Hemp Museum, SAM2013 and possibly Anatacor and Aurellian's or other groups for the Cultural Capital celebrations rescheduled to 2023. We are organizing information for possibly submitting an application or by possibly joining in the Asociatia Cries project next year in 2022 and for the main event in 2023 a final decision as to whether we will want to participate will be made soon.

SuonAngelMiriam attended a one day conference: "Socio-Economico-Cultural Rebirth of the Romanian Village" Conference, Date: 19 th Nov 2022, Location: Zimand Cuz, jud Arad with the guest speaker Dr. Avram Fitiu. If anyone would like a copy of our report on the meeting let us know.

- 3. The Group Central Pillar Crystals** and the Esoteric and Occult crystal sets are now finalized along with any rearranging of the other crystals of the set for the 2025 impulse. Please let us know if you would like to explore any of these crystals or have any other input (see photo in previous FM report of Gemini of June 2022).
- 4. The three natural triple pointed crystal clusters** are always available for any group members who would like to meditate with them as another way to tune into group consciousness (see previous photo from March 2022 Pisces report).
- 5. Three new 'Circumcentral' crystals have been put on a Lay-Away plan** to be here by the Summer Solstice of 2025 for the Hierarchical Group Impulse year of 2025 (see photo below).

- 6. Poppy research at BioFarmland (BFL)** at Virginia's suggestion. New organic seeds have arrived and were planted in October 2022 for the 2023 spring season.
- 7. Revised and renewed Hemp Museum suggestion** presented to Zoli, Virginia, and Leontina as a possible group project. There was similar input about local, village or household museums from the "Socio-Economico-Cultural Rebirth of the Romanian Village" conference in Item 2 above.
- 8. Based on Leontina's previous intentions to establish an educational location near her home further discussions are going on about** a location, financing, possible links to other hemp projects and people. An initial estimate to get a small workshop space built on her land, for materials with mainly voluntary labor or construction, is 3,000 Euros. Anyone wanting a more specific update or to help with initial financing please either contact Leontina or us.
- 9. SuonAngelMiriam have met personally with Georghe Piperea** and joined his class action law suit against the constitutionality of mandates which is moving forward as discussed in the Full Moon cover letter for Capricorn (2021). September 2022 hearing produced a change in how and who the law suit will be claiming as the defendents and is continuing. Recent meetings at Singfest in September. Let us know if you have additional comments or questions. Next meetings set for the end of the year at another Singureni Christmas Fair.

10. **SuonAngelMiriam are continuing our interaction with Katharina documenting** how to manage and implement new and better ways of herb growing, drying, processing, soil regeneration, etc.
11. **SuonAngelMiriam are interacting with Virginia on her Bio-Resonance and Herbal and Aromatherapy courses, consultations** and treatments along with the consideration of the SAM2013 Synthesise Tri-Level Color Set as liquids. Updated at meetings in September and October 2022, continuing with Virginia's Certified Herbal and Aroma Therapy course and possible meeting at EsotericFest in December.
12. **SuonAngelMiriam are working with Remus and others on updating and expanding** one of his personal spirituality courses on Self Esteem as an Esoteric Group project. Anyone interested in knowing more or helping in this group project please let us know.
13. **SuonAngelMiriam are working with Aurellian on how some of the concepts of his book and course** on "The Numerology of the Soul" might relate and correspond to the SAM2013 Synthesis Tri-Level Color System numerology. Both Aurellian and Suon have had direct contact with Yogi Bahjan who taught the numerology of the soul concepts.
14. **SuonAngelMiriam are working with Mircea on ways of distributing SAMfume** and other products and working more closely together on the other projects listed above. Recent September meeting held at Singfest. Next meeting possibly at the Singureni Christmas Fair.

C. Previous Activities Archive:

1. **Hemp** for cooperative research at BioFarmland (BFL) on hold after 3 years of testing.

D. General Notes and considerations about the group, cycles, meditation and information flow:

1. **We are happy to get to know each other better**, or other ways that we may cooperate either personally, or as organizations. Please let us know if you would like any other meetings or if you have any other comments or questions.
2. **2022 continues the new seven year cycle started in 2020.** The final major group 'impact' has been made in 2019 prior to the next 100 year 'impulse' which happens during 2025.
3. **It might be considered that these Group Meditations seek** to make use of the spiritual opportunities that the cycles of full moons, solstices and equinoxes, Group Festival Weeks and Centennial Impulse years provide. The unique energies associated with each constellation, season and longer cycles are directed into the consciousness as trans-formative qualities that can lift and expand our hearts and minds.
4. **It might be considered that Group Living tends to the fulfillment of free will in service** and, as this is gradually understood, coming together to co-operate on issues for the benefit of the whole without intentions to dominate, interfere or impose on others. The vision is there, the future is assured, but the key to its successful implementation is that co-operation has to be based on intentions that are based on the good of the whole rather than a focus on self-interest.
5. **In all meditation it is of value for the student to remember that**, from the standpoint of permanent benefit, it is easier to meditate effectively during the period from the new moon to the full moon, than from the full moon to the new moon. The first half of the lunar cycle is one of intensification, absorption and accretion; the second half is one of assimilation and distribution. More real progress over a long period can be made by observing this cyclic law.
6. **Wisely utilizing newly acquired energies keeps inflowing and out flowing channels open** and prevents Sycal (psychical), Astral (emotional), Mental (intellectual) congestions, which may otherwise be experienced, with their accompanying physical consequences.
7. **The following regular monthly cycle is for the group information flow:**
 - a. Full Moon (five days): Two days before, the day of (meditation), and two days after Full Moon for getting impressions.
 - b. The week after the 5 days of the Full Moon: For letting us know or sharing of any impressions during the preceding 5 days. Plus us transcribing our own impressions.
 - c. Second week after Full Moon for 'Anchoring' or 'Grounding' impressions through gathering other information or following up on activities based on the impressions. Possible New Moon meditation by those who want and ending that Full Moon Cycle.
 - d. Third week after Full Moon (just after the New Moon): Starting to build up to the next Full Moon having any questions to impressions shared and answered and any activities based on impressions started or completed.
 - e. Fourth week after the Full Moon (just before the next Full Moon): Coming out with the Keynote and information and timing of the next Full Moon, including the shared impressions or activity from the last Full Moon.

Addendum 1: Sagittarius, The Archer, constellation hypothesizes and considerations on the 3 Crosses from EA:

SAGITTARIUS, THE ARCHER:

This sign is, as you know, a peculiarly human sign and is connected in a definite manner with the appearance of humanity upon our Earth. There are three of the zodiacal signs which are more closely connected with man than are any of the others. These are: Leo, Sagittarius and Aquarius. In one peculiar (but not yet provable) manner, they are related to the three aspects of body, soul and spirit. The following tabulation or concise statement of rather momentous implications may serve to make this clearer:

Leo

The Lion
The Man
Self-consciousness
Physical nature
Integrated man
Human soul
Individualisation
Personality
The Fixed Cross
Centralisation
Individual unity
Fire
Selfishness
Evolution

Sagittarius

The Centaur
The Archer
Focussed consciousness
Emotional nature
Aspiring man
Spiritual human soul
Discipleship
Egoic focus
The Mutable Cross
Orientation
Sensed duality
Fire
Struggle
The final path

Aquarius

The Water-Carrier.
The Server.
Group consciousness.
Lower mental nature.
Intuitive mental man.
Spiritual soul.
Initiation.
Monadic focus.
The Fixed Cross.
Decentralisation.
Universal unity.
Air.
Service.
Liberation.

The keynotes of Sagittarius are five in number.

1. Attached or fused duality—the Centaur.

Unattached duality—the Archer.

Freedom or one-pointedness—the Bow and Arrow.

2. Human ambition leading eventually to spiritual aspiration.

3. A clear shaft of light which is the intuitive and focussed attitude of the pledged disciple.

4. The "returning arrow of the intuition," as it is sometimes called. For it is the shaft of the arrow of aspiration which returns to the sender as the arrow of the intuition. Sagittarius is one of the intuitive signs, for only the intuition will suffice to carry a man to the foot of the mountain of initiation in Capricorn.

5. Idealism which is the power to see the vision and to direct one's course towards it. This is the work of Mars, the expression of the sixth ray (SAM – as mentioned in the first paragraph of this report).

THE MUTABLE CROSS

As you know, Sagittarius is one of the four arms of the Mutable Cross. An idea of the general symbology of this Cross, from the quality angle, can be gained if we give the two sets of characteristics which distinguish the man upon this Cross—both unevolved man and the aspirant to divinity. We might list these as follows, finding for each arm a distinctive phrase :

Unevolved man	Gemini—Changeableness. Instability. Interplay.
	Sagittarius—Ambitious desire. Direction. Orientation.
	Virgo—Material life. The cherishing of an idea.
	Pisces—Sensation. Mediumship. Fluidity.
Evolved man	Gemini—Recognition of soul and form. Soul interplay.
	Sagittarius—One-pointed spiritual aspiration. Disciples.
	Virgo—The mother of the Christ Child. Gestation.
	Pisces—The world Saviour. Mediatorship.

In connection with the above, it is interesting to note that the Twins set apart and unattached in Gemini become the Centaur, the man-beast, in Sagittarius, whilst Virgo, the Virgin, becomes the Fish goddess in the polar opposite, Pisces. A treatise could be written on the subject of the relation of the opposites in the zodiacal circle for they express spirit and matter and their inter-relation, plus the play of qualitative energies; they bear witness at the same time to the fact that these two are one and are simply the expression of great mutable, and yet fixed and initiated spiritual Lives. It is for this reason that the constellation Libra occupies a unique place in the Great Wheel, for it is the energy coming from this constellation which controls what we might call (for lack of a more suitable word) the "hub of the wheel." This is that point in intermediate space where the twelve zodiacal energies meet and cross. Libra, therefore, controls the "moment of reversal of the wheel" in the life of every aspirant, for there comes a moment in the cycle of lives wherein a point of balance is reached and a relative equilibrium is attained, and over this event Libra presides. Some day it will be of interest to make a scientific research and investigation into the power of balance which Libra wields and a consequent analysis of the effect of Libra in an individual life. It might then be possible to discover whether the particular life in which a man carries forward the process of reversal may not perhaps be one in which the sun is in Leo, with Libra rising. Such statistical studies have not yet been made, but there is much to be done along these lines; I only make suggestions, but it will, I think, be found that this is the case. A proper investigation likewise into the life history of spiritualism and of the mediums associated with it may prove that the majority of the mediums in the world who are of a low grade type or purely trance mediums—negative and usually unintelligent—are born in Cancer with Pisces rising, or in Pisces with Cancer rising. Such studies would necessarily have to deal with hundreds of cases and be carried forward over a long period of time in order to prove the point which I seek to make. It would also be interesting to make an analysis of those particular incarnations and their horoscopes wherein the polar opposites both appear in relation to each other—one as the sun sign and the other as the ascendant, for these lives usually express some degree of either equilibrium or of consummation; they will not in any case be negative lives or lacking in direction, event or purpose. This is particularly the case upon the Fixed Cross of the Heavens.

The ruler of Sagittarius from the orthodox angle is Jupiter, and from the standpoint of the path of discipleship it is the Earth itself. Mars governs this sign from the standpoint of the Hierarchies involved. The most interesting fact which emerges as we study the Mutable Cross as a whole is connected with the rulers of all the four signs. From the point of view of orthodox astrology, only two planets rule or govern all the four signs; these are Jupiter and Mercury. Mercury governs Gemini and Virgo, whilst Jupiter governs Sagittarius and Pisces. The reason for this is obvious if you study the nature of the rays which express themselves through these signs. Mercury is the agent or the messenger of the fourth Ray of Harmony through Conflict, whilst Jupiter is the medium for expression of the second Ray of Love-wisdom. These two rays govern the mass of men upon the Mutable Cross and are closely concerned with the mass incarnation of the fourth Creative Hierarchy. Their function is to fuse and blend into one cooperative whole the great dualities expressing themselves through the fourth kingdom in nature. The significance of this will be obvious. It is easily apparent how, through the influences of Mercury and Jupiter, material desire can be transmuted into divine love, and the conflict which is the distinguishing characteristic of the human family can be instrumental in resolving dissonance into harmony. The definite pattern and direction of this process has to take form upon the Mutable Cross before the energies of the Fixed Cross can change the ambitious selfish man into the selfless disciple. All this has perforce to be initiated upon the Mutable Cross which is essentially and significantly the Cross of the mutable, fluidic, restless mind and it is on this Cross that the mind nature is finally developed and begins its integrating control of the personality. When this process is proceeding, the Mutable Cross experience is over and the Cross of Discipleship begins to play its part.

The case is quite different in connection with the subjective side of unfoldment, and esoterically the disciple who finds himself in incarnation under the influence of the Mutable Cross in his personality life whilst he, as a soul, is upon the Fixed Cross, comes under the directed energy of four planets, three of which are non-sacred planets. Usually these four supersede or rather begin to dominate the influence of Mercury and Jupiter, giving greater facility of expression and exerting that influence which will bring the personality into right relation to the soul, for that is essentially the task of the Fixed Cross and the goal of the disciple. It is in connection with the planets governing Sagittarius, exoterically and esoterically, that an idea can easily be gained of the complexity of the forces with which every disciple has to contend and the significance of the ray forces which pour into and through him. Take for example the constellation which we are now considering, and remember that the same basic streams of energy will have to be noted in connection with every other sign in which a man may take incarnation. We find that we shall have to consider:

1. The Sun Sign.—In this case Sagittarius conditions circumstances, indicating inheritance and forcing the environment to be declarative in connection with the subject.

2. The Rising Sign.—The ascendant can be one of the other eleven signs.

3. The Mutable Cross.—The four energies which meet "at the midway point" and have a united and definite effect upon the subject. The same statement applies to the other two Crosses.

4. The Orthodox Planets.—These condition the personality. In this case we have Mercury and Jupiter. The twelve houses governed by the planets are likewise of prime importance from the angle of the transmitted energy.

5. The Esoteric Planets.—These bring in renewed or increased planetary energy and ray energy in a more dynamic manner. In the case of Sagittarius these energies are Venus, the Moon, the Earth and Pluto.

6. The Planetary Ruler of a Hierarchy.—In this particular case, this planet is Mars, ruling the sixth Creative Hierarchy, the lunar Lords (the elementals of the threefold personality) who have to be brought under the control of the solar Lord.

A study of the above will reveal most interesting relationships and prove my point anent the multiplicity of energies to which the wonderful mechanism of man can respond and to which, as evolution proceeds, he can become increasingly sensitive.

I cannot here enter into a detailed analysis of the many energies which pour through the disciple as he arrives at the final stages upon the Mutable Cross, and in Sagittarius achieves the determination to "direct his steps into another way of life and with ardour firm to mount another Cross," as the Old Commentary puts it. I can only point out that the following ray forces pour onto the man through the medium of the following planets:

Exoteric | Mercury—4th Ray—Harmony through Conflict.
|
| Jupiter—2nd Ray—Love-wisdom.

Esoteric | Venus—5th Ray—Concrete Science. Mind.
|
| The Moon—4th Ray—Harmony through Conflict.
|
| The Earth—3rd Ray—Active Intelligence.
|
| Pluto-1st Ray—Destructive aspect.

Hierarchical | Mars—6th Ray—Devotion. War to the death of the personality or form.

An analysis of this will show that the "forces of conflict" are powerful in this sign, primarily in the life of the disciple. Harmony through Conflict is ceaselessly active and appears in both the orthodox and the esoteric assignments. The destructive power of the first ray, focussed in Pluto, brings change, darkness and death. To this intensity and potency of Pluto must be added the forceful and dynamic energy of the planet Mars. This brings the entire human family, as well as the individual, under the law of strife, based this time upon sixth ray devotion to an ideal, high or low. All these play upon the individual born in the sign of Sagittarius, as well as upon the fourth Creative Hierarchy as a whole. This, you can see for yourself, brings in a terrific situation, and the forces playing upon the disciple are of a momentous nature—provided that the mechanism of awareness is adequate to respond. These forces in all the signs are ever present, but responsiveness and sensitivity to their impact is dependent upon the nature of the response apparatus. Ponder upon this thought, for it is this sensitivity which marks the difference between the disciple and the average man.

Through a study of the Mutable Cross—Gemini, Virgo, Sagittarius and Pisces—he (a disciple) can arrive at the significance:

- a. Of (other) disciples.
- b. Of group activity.

c. Of the second initiation (SAM – Baptism, as a group into the consciousness of the Holy Spirit).

1. The Mutable Cross - brings about those conditions which will produce great periods of change in the life of the planet, of a kingdom in nature or of a human being. Mercury plays a part in this. Upon the Mutable Cross, the crucified man sees naught of the picture. He suffers, agonises, desires, strives, is the apparent victim of circumstances, and is distinguished by a veiled vision and inchoate longings. These gradually take shape until he reaches the stage of acquiescence and aspiration.

The Cross of the Hidden Christ.

a. This is the Cross of the four major energies which produce the conditioning circumstances which transform animal man into an aspirant.

b. It is, therefore, the Cross of the personality or of the steadily developing and finally integrating human being. This takes place at first in response to circumstance and later to soul inclination.

c. It is the Cross of temporal and temporary change, of fluidity and of those constantly altering environments which drive the soul within the form from one extreme of experience to another, so that the life shuttles between the pairs of opposites.

d. It is the Cross of the responsive form, nurturing and developing the life of the indwelling Christ, the hidden Soul or Lord of Being.

The four arms of this Cross are Gemini—Virgo—Sagittarius—Pisces. It is sometimes called the Common Cross because it conditions the common herd, the mass of humanity.

2. The Fixed Cross - brings about, as a sequence, to these inner changes, certain great points of crisis which are unavoidable and present definite opportunity. Saturn is dominant in bringing this about. Then he finds himself upon the Fixed Cross and begins to grasp the whole of the purpose of experience upon the Mutable Cross (as far as humanity is concerned) and to realise that there is a hierarchical purpose which can only be grasped by the man who is willing to be crucified upon that Cross. He reaches the stage of responsibility, self-awareness and right direction. His orientation is now "the spiritually vertical which involves the inclusive horizontal." At this stage, the Plan of the Logos begins to take shape in his consciousness.

3. The Cardinal Cross - is responsible for bringing about certain great points of synthesis, as a consequence of both change and crisis. Jupiter is responsible for the focussing of energies at this point. Upon the Cardinal Cross, the purpose and the unified consummations of the two earlier crucifixions become almost blindingly apparent and a vision of the unified intent of the three Persons of the underlying Trinity (each upon His Own Cross) emerges with clarity.

The theme of all three Crosses is fusion and integration. The fusion of the personality into one functioning whole; the fusion of soul and personality consciously; the fusion of the threefold expression of divinity—Monad, ego and personality—so that there is an appearance of the blended energies. The keynote of their influences is the power to include and the full expression simultaneously, in time and space, of the vertical and the horizontal life.

For more information on the crosses go back to the 2022 and 2021 Full Moon Meditation Reports. If you need the reports sent to you again please let us know.

Conclusion (at this point):

May we consider together entering into that higher state of (group/soul) 'bewilderment' yet strength and unity from our lower state of personal certitude and isolation to possibly obtain a universal group consciousness.
