

Full Moon of Taurus, second Full Moon of this Astrological Year, on Monday, May 16, 2022 at 07:15:38 in Romania:

The main Keynote or phrase to consider for all Taurus Full Moons (each year): **“I see and when the Eye is opened, all is light.”** The Taurus Full Moon Keynote of Light each year is: **“The penetrating Light of the Path.”** Consider the Keynotes at, or as close to, the time of the Full Moon as possible and what it might mean as a Group. Each of the constellations also have at least one, but also as many as five, Ray determining energies by which they rule and of which they rule. **The main Ray energy of Taurus is Ray 1.** So, Taurus has a main energy of Will and Power or having to do with Business or Military. It is a recommendation to consider the Taurus Keynotes as Ray 1 Keynotes. This is a direct correspondence to the information of our Color Consultations and the way this same Ray determining effects us. So, our Color Consultation information can be reviewed and related to each of the Full Moon determining energies to determine the possible effects and opportunities each Full Moon offers each of us in the group. This is explained and expanded upon from Esoteric Astrology (EA) in general in Addendum 1 from the past Aries Full Moon report (from April 2021). This year we will add information on how each constellation works as a quaternary in what are called the 3 Crosses. Addendum 1 from last month's Full Moon report (from April 2022) is a general introduction about the 3 Crosses, formed by the 12 Astrological signs, taken from EA. Addendum 1, below, relates specifically to Taurus and how it fits into the Crosses. Taurus is the second sign of the new Astrological year and the second of the three building energy and consciousness Full Moons of the year. It is part of the Fixed Cross. It helps bring the highest impulse for the year and then that impulse is 'precipitated' down while at the same time the energy and consciousness is built up, or gathered, through the other two months of Aries (last month) and Gemini (next month).

A. Notes on this coming Full Moon of May/Taurus:

- 1. Watch for any impressions** that may come to you before the Full Moon that may relate to the Ray 1 Keynotes and your specific Rays (from your Color Consultations), especially two days before the Full Moon, the day of the Full Moon and two days after the Full Moon. **If you want to share** any of your impressions with us please do. If you want any impressions shared with the group let us know and we will include them in the next month's meditation notes.
- 2. This is the second of twelve Full Moons of this Astrological year** and is the second of the three different 'Building Consciousness and Energy' full moons of this astrological year. The energy which is built and gathered during these first three 'Building' Full Moons at the beginning of the astrological year, which is also called the 'higher interlude', is then distributed over the last nine Full Moons at the end of the astrological year, which is also called the 'lower interlude'.
- 3. Addendum 1 from last year's Full Moon report of Aries (from April 2021) gives reference into more insight and inspiration for how to** view some of the expanded awareness of these monthly and yearly Full Moon cycles as we enter into the forth Astrological Year of this group formation and the group's beginning functioning.
- 4. Addendum 1 from last month's Full Moon report of Aries (from April 2022)** is a general introduction about the 3 Crosses, formed by the 12 Astrological signs, taken from EA.
- 5. Addendum 1 below will give this month's expansion of how the qualifying energies of the monthly astrological sign, Taurus,** fit into the three 'Crosses' or quaternaries of constellations formed by the 12 signs which may be effecting us and how to respond to the various opportunities these Crosses of energies present to our group including each individual.
- 6. This month's Full Moon is a Supermoon Full Moon Eclipse in Saros 131. Supermoon means that the moon** will be within 10% of the closest that it normally comes to Earth (perigee); has an eclipse which will last for about 90 minutes (45 minutes before and 45 minutes after the time of the full moon) which you might see just a little of the eclipse as the full moon sets here in Romania. The Saros cycle of eclipses each contains 70 to 80 eclipses and lasts for about 1200 years. The current Saros 131 cycle started in the year 1427 and will last until the year 2707 (1280 years from start to end). If eclipses happen at the same time in different Saros cycles the moons will be in the same position in the sky and have other similar characteristics, such as, having the same node, closeness to the Earth, and same time of the year. The Node is formed because the Moon's orbit is tipped about 5.1° to Earth's orbit around the Sun. The two points where the Moon's orbit crosses Earth's orbit are called the nodes. The ascending node is where the Moon crosses to the north of Earth's orbit. The descending node is where it crosses to the south.

7. **The 2022-3 astrological year Annual Keynote is, “LET THE LIGHT OF THE SEVEN RAYS BLEND WITH THE SEVENTH RAY, AND LIGHT SUPERNAL USHER IN THE NEW CIVILIZATION.”**

B. Notes and Activities on or since the last Full Moon April/Aries:

1. **SuonAngelMiriam meditated at the time of the new and full moon together. We had what we consider** more subtle meditations of positive building of this astrological year’s Higher Interlude cycle.
2. **SuonAngel are talking with 2023 Timisoara Cultural Capital office about a cooperative event possibly named ‘SAMatate’** between Favisan, BFL/SolarCity (The Natural Way Assoc. - TNWA), the Hemp Museum, SAM2013 and possibly Anatacor and Aurellian’s or other groups for the Cultural Capital celebrations rescheduled to 2023. We are organizing information for possibly submitting an application or by possibly joining in the Asociatia Cries project next year in 2022 and for the main event in 2023.
3. **The Group Central Pillar Crystal from Scotland, UK on a bronze stand plus:** A. Phase 1 Esoteric Directive Group Crystal, meant mainly for assistance to Suon in the group with Virginia and Remus; B. Phase 3 Occult Instructive Group Crystal, meant mainly to assist Instructors of triangles, such as, Mircea, Leontina, and Remus; and C. Phase III Exoteric Educative Group Crystal, meant for Leontina have all arrived. Again these ‘Group Central Pillar Crystals’ and your personally reserved Monadic Manifestation Group crystals are available to group members to come and meditate. With these crystals the Esoteric and Occult crystal sets are now finalized along with any rearranging of the other crystals of the set for the 2025 impulse. Please let us know if you would like to explore any of these crystals or have any other input (see photo below).

4. **The three natural triple pointed crystal clusters** are always available for any group members who would like meditate with them as another way to tune into group consciousness (see previous photo from March 2022 Pisces report).

5. **Three new 'Circumcentral' crystals have been put on a Lay-Away plan** to be here by the Summer Solstice of 2025 for the Hierarchical Group Impulse year of 2025 (see photo below).

6. **Poppy research at BioFarmland (BFL)** at Virginia's suggestion. New organic seeds have arrived and were planted for the 2022 season.
7. **Revised and renewed Hemp Museum suggestion** presented to Zoli, Virginia, and Leontina as a possible group project. More discussions are possible.
8. **Based on Leontina's previous intentions to establish an educational location near her home further discussions are going on about** a location, financing, possible links to other hemp projects and people. An initial estimate to get a small workshop space built on her land, for materials with mainly voluntary labor or construction, is 3,000 Euros. Anyone wanting a more specific update or to help with initial financing please either contact Leontina or us.
9. **SuonAngelMiriam have met personally with Georghe Piperea** and joined his class action law suit against the constitutionality of mandates which is moving forward as discussed in the Full Moon cover letter for Capricorn (2021). Let us know if you have additional comments or questions.
10. **SuonAngelMiriam are continuing our interaction with Katharina documenting** how to manage and implement new and better ways of herb growing, drying, processing, etc.
11. **SuonAngelMiriam are interacting with Virginia on her Bio-Resonance course, consultations** and treatments along with the production of the SAM2013 Synthesis Tri-Level Color Set as liquids.
12. **SuonAngelMiriam are working with Remus and others on updating and expanding** one of his personal spirituality courses as an Esoteric Group project. Anyone interested in knowing more or helping in this group project please let us know.
13. **SuonAngelMiriam are working with Aurellian on how some of the concepts of his book and course** on "The Numerology of the Soul" might relate and correspond to the SAM2013 Synthesis Tri-Level Color System numerology. Both Aurellian and Suon have had direct contact with Yogi Bahjan who taught the numerology of the soul concepts.
14. **SuonAngelMiriam are working with Mircea on ways of distributing SAMfume** and other products and working more closely together on the other projects listed above.

C. **Previous Activities Archive:**

1. **Hemp** for cooperative research at BioFarmland (BFL) on hold after 3 years of testing.

D. **General Notes and considerations about the group, cycles, meditation and information flow:**

1. **We are happy to get to know each other better**, or other ways that we may cooperate either personally, or as organizations. Please let us know if you would like any other meetings or if you have any other comments or questions.
2. **2022 continues the new seven year cycle started in 2020.** The final major group 'impact' has been made in 2019 prior to the next 100 year 'impulse' which happens during 2025.
3. **It might be considered that these Group Meditations seek** to make use of the spiritual opportunities that the cycles of full moons, solstices and equinoxes, Group Festival Weeks and Centennial Impulse years provide. The unique energies associated with each constellation, season and longer cycles are directed into the consciousness as trans-formative qualities that can lift and expand our hearts and minds.
4. **It might be considered that Group Living tends to the fulfillment of free will in service** and, as this is gradually understood, coming together to co-operate on issues for the benefit of the whole without intentions to dominate, interfere or impose on others. The vision is there, the future is assured, but the key to its successful implementation is that co-operation has to be based on intentions that are based on the good of the whole rather than a focus on self-interest.
5. **In all meditation it is of value for the student to remember that**, from the standpoint of permanent benefit, it is easier to meditate effectively during the period from the new moon to the full moon, than from the full moon to the new moon. The first half of the lunar cycle is one of intensification, absorption and accretion; the second half is one of assimilation and distribution. More real progress over a long period can be made by observing this cyclic law.
6. **Wisely utilizing newly acquired energies keeps inflowing and out flowing channels open** and prevents Sycal (psychical), Astral (emotional), Mental (intellectual) congestions, which may otherwise be experienced, with their accompanying physical consequences.
7. **The following regular monthly cycle is for the group information flow:**
 - a. Full Moon (five days): Two days before, the day of (meditation), and two days after Full Moon for getting impressions.
 - b. The week after the 5 days of the Full Moon: For letting us know or sharing of any impressions during the preceding 5 days. Plus us transcribing our own impressions.
 - c. Second week after Full Moon for 'Anchoring' or 'Grounding' impressions through gathering other information or following up on activities based on the impressions. Possible New Moon meditation by those who want and ending that Full Moon Cycle.
 - d. Third week after Full Moon (just after the New Moon): Starting to build up to the next Full Moon having any questions to impressions shared and answered and any activities based on impressions started or completed.
 - e. Fourth week after the Full Moon (just before the next Full Moon): Coming out with the Keynote and information and timing of the next Full Moon, including the shared impressions or activity from the last Full Moon.

Addendum 1: Taurus - The Bull, constellation hypothesizes and considerations on the 3 Crosses from EA:

Taurus is the dominant stream of energy upon this Fixed Cross where average man is concerned. The energy let loose through this Cross is stupendous in its effects, producing finally the great reversal and renunciation. In this Cross, Taurus is the Initiator for it "impulses the Will," producing movement and momentum...

A. THE FIXED CROSS:

Taurus.—Christ said (as have all the Sons of God Who know the true significance of the Fixed Cross), "I am the Light of the world," and he added, "if thine eye be single thy whole body shall be full of light." Taurus is, as you have heard, the Mother of Illumination, and the "eye of the Bull" is the symbol of the eye to which Christ made reference.

Leo.—This is the sign of self-conscious identity. This is testified to by Christ in the words He spoke to His disciples: "What shall it profit a man if he gain the whole world and lose his soul?" or his own centre of self-consciousness—that significant point of attainment which must precede all the more inclusive states of consciousness.

Scorpio.—The significance of this sign in the life of Christ has been deleted from The New Testament, but has been preserved for us in the ancient Christian legend that—in the cradle itself—Christ killed or strangled two serpents, thus referring to the pairs of opposites which could no longer control Him.

Aquarius.—The expression of this influence has been beautifully given to us in the story of the Last Supper. Christ sent His disciples into the city to find the man "bearing a pitcher of water" upon his shoulder. This is the symbol of the sign Aquarius—the sign in which the universality of the water of life will become a factor in human consciousness; then we shall indeed all sit down eventually to the communion of bread and wine. He referred indirectly to the same idea when He spoke of Himself as the "water of life," assuaging the thirst of humanity.

Thus, through the use of the energies of these four signs of the Fixed Cross, Christ demonstrated perfection.

B. THE FIXED CROSS:

a. This is the Cross composed of the four energies which condition the life of the man who is first a probationary disciple and then an accepted or pledged disciple.

b. It is outstandingly the Cross of the soul. The man who is upon the Fixed Cross is becoming increasingly aware of its direction and influences and does not respond as blindly as does the man upon the Mutable Cross. He does not "mount this Cross of Right Direction" in a technical sense until he has attained some measure of soul contact and has had some touch of illumination and of spiritual intuition—no matter how fleeting that touch may have been.

c. It is the Cross of "fixed vision and of that immovable intent which draws the man from points of light to blazing solar radiance." The man upon the Fixed Cross says: "I am the soul and here I stand. Naught shall remove my feet from off the narrow place whereon I stand. I face the light. I am the Light and in that light shall I see Light."

d. It is the Cross whose four energies blend with and transmit the energies of the solar system itself. This it can do because the man upon the Fixed Cross is becoming increasingly conscious of issues which are larger than himself, more engrossing than his previous interests and which concern humanity in its relation to the solar forces and not just to the planetary forces. He is becoming sensitive to a larger whole.

e. The energies of this Cross continue to evoke response until the time of the third initiation.

The four arms of this Cross are Taurus—Leo—Scorpio—Aquarius. It is called the Fixed Cross because the man is stretched upon it by the directed choice and immovable intent of his soul. From that decision there is no turning back.

For more information of Taurus and the crosses go back to the 2022 Aries and 2021 Taurus Full Moon Meditation Reports. If you need the reports sent to you again please let us know.

Conclusion (at this point):

May we consider together entering into that higher state of (group/soul) 'bewilderment' yet strength and unity from our lower state of personal certitude and isolation.
