

Full Moon of Virgo, sixth Full Moon of this Astrological Year, on Saturday, September 10, 2022 at 12:58:52 in Romania:

The main Keynote or phrase to consider for all Virgo Full Moons (each year): **“I am The Mother and I Am the Child, I God I Matter am.”** The Virgo Full Moon Keynote of Light each year is: **“The Blended Dual Light.”** Consider the Keynotes at, or as close to, the time of the Full Moon as possible and what it might mean as a Group. Each of the constellations also have at least one, but also as many as five, Ray determining energies by which they rule and of which they rule. **The main Ray energy of Virgo is Ray 2.** So, Virgo has a main energy of Loving Wisdom and Education. It is a recommendation to consider the Virgo Keynotes as Ray 2 Keynotes. This is a direct correspondence to the information of our Color Consultations and the way this same Ray determining effects us. So, our Color Consultation information can be reviewed and related to each of the Full Moon determining energies to determine the possible effects and opportunities each Full Moon offers each of us in the group. This is explained and expanded upon from Esoteric Astrology (EA) in general in Addendum 1 from the past Aries Full Moon report (from April 2021). This year we will add information on how each constellation works as a quaternary in what are called the 3 Crosses. Addendum 1 from the April 2022 Full Moon report (four months ago) is a general introduction about the 3 Crosses, formed by the 12 Astrological signs, taken from EA. Addendum 1, below, relates specifically to Virgo and how it fits into the Crosses. Virgo is the sixth sign of the new Astrological year and the third of the nine distributing energy and consciousness Full Moons of the year. It is part of the Mutable Cross. It helps bring a continuing energy to the lower distribution cycle for the year after the past building months of Aries, Taurus, and Gemini (April, May, and June).

A. Notes on this coming Full Moon of September/Virgo:

1. **Watch for any impressions** that may come to you before the Full Moon that may relate to the Ray 2 Keynotes and your specific Rays (from your Color Consultations), especially two days before the Full Moon, the day of the Full Moon and two days after the Full Moon. **If you want to share** any of your impressions with us please do. If you want any impressions shared with the group let us know and we will include them in the next month's meditation notes.
2. **This is the sixth of twelve Full Moons of this Astrological year** and is the third of the nine different 'Distributin Consciousness and Energy' full moons of this astrological year. The energy which is built and gathered during the past, first three 'Building' Full Moons at the beginning of the astrological year, which is also called the 'higher interlude', is now distributed over the next nine Full Moons during the end of the astrological year, which is also called the 'lower interlude'.
3. **Addendum 1 from last year's Full Moon report of Aries (from April 2021) gives reference into more insight and inspiration for how to** view some of the expanded awareness of these monthly and yearly Full Moon cycles as we enter into the forth Astrological Year of this group formation and the group's beginning functioning.
4. **Addendum 1 from April 2022's Full Moon report of Aries (five months ago)** is a general introduction about the 3 Crosses, formed by the 12 Astrological signs, taken from EA.
5. **Addendum 1 below will give this month's expansion of how the qualifying energies of the monthly astrological sign, Virgo,** fit into the three 'Crosses' or quaternaries of constellations formed by the 12 signs which may be effecting us and how to respond to the various opportunities these Crosses of energies present to our group including each individual.
6. **The 2022-3 astrological year Annual Keynote is,** “LET THE LIGHT OF THE SEVEN RAYS BLEND WITH THE SEVENTH RAY, AND LIGHT SUPERNAL USHER IN THE NEW CIVILIZATION.”

B. Notes and Activities on or since the last Full Moon August/Leo:

1. **SuonAngelMiriam meditated at the time of the new and full moon together. We had what we consider stronger** meditations of positive distributing of this astrological year's continuing of the Lower Interlude cycle throughout the Occult, Esoteric and Exoteric triangular group, the NGWS and the planet itself.
2. **SuonAngel are talking with 2023 Timisoara Cultural Capital office about a cooperative event possibly named 'SAMatate'** between Favisan, BFL/SolarCity (The Natural Way Assoc. - TNWA), the Hemp Museum, SAM2013 and possibly Anatacor and Aurellian's or other groups for the Cultural Capital celebrations rescheduled to 2023. We are organizing information for possibly submitting an application or by possibly joining in the Asociatia Cries project next year in 2022 and for the main event in 2023.

3. **The Group Central Pillar Crystals** and the Esoteric and Occult crystal sets are now finalized along with any rearranging of the other crystals of the set for the 2025 impulse. Please let us know if you would like to explore any of these crystals or have any other input (see photo in previous FM report of Gemini of June 2022).
4. **The three natural triple pointed crystal clusters** are always available for any group members who would like to meditate with them as another way to tune into group consciousness (see previous photo from March 2022 Pisces report).
5. **Three new 'Circumcentral' crystals have been put on a Lay-Away plan** to be here by the Summer Solstice of 2025 for the Hierarchical Group Impulse year of 2025 (see photo below).

6. **Poppy research at BioFarmland (BFL)** at Virginia's suggestion. New organic seeds have arrived and were planted for the 2022 season but did not grow again and will be planted again for 2023.
7. **Revised and renewed Hemp Museum suggestion** presented to Zoli, Virginia, and Leontina as a possible group project.
8. **Based on Leontina's previous intentions to establish an educational location near her home further discussions are going on about** a location, financing, possible links to other hemp projects and people. An initial estimate to get a small workshop space built on her land, for materials with mainly voluntary labor or construction, is 3,000 Euros. Anyone wanting a more specific update or to help with initial financing please either contact Leontina or us.
9. **SuonAngelMiriam have met personally with Georghe Piperea** and joined his class action law suit against the constitutionality of mandates which is moving forward as discussed in the Full Moon cover letter for Capricorn (2021). Hearing set for September 2022. Let us know if you have additional comments or questions.
10. **SuonAngelMiriam are continuing our interaction with Katharina documenting** how to manage and implement new and better ways of herb growing, drying, processing, etc.
11. **SuonAngelMiriam are interacting with Virginia on her Bio-Resonance course, consultations** and treatments along with the production of the SAM2013 Synthesis Tri-Level Color Set as liquids. Updated at meeting during Esoteric Fest May 2022 and continuing.
12. **SuonAngelMiriam are working with Remus and others on updating and expanding** one of his personal spirituality courses on Self Esteem as an Esoteric Group project. Anyone interested in knowing more or helping in this group project please let us know.
13. **SuonAngelMiriam are working with Aurellian on how some of the concepts of his book and course** on "The Numerology of the Soul" might relate and correspond to the SAM2013 Synthesis

Tri-Level Color System numerology. Both Aurellian and Suon have had direct contact with Yogi Bahjan who taught the numerology of the soul concepts.

14. SuonAngelMiriam are working with Mircea on ways of distributing SAMfume and other products and working more closely together on the other projects listed above.

C. Previous Activities Archive:

1. Hemp for cooperative research at BioFarmland (BFL) on hold after 3 years of testing.

D. General Notes and considerations about the group, cycles, meditation and information flow:

- 1. We are happy to get to know each other better**, or other ways that we may cooperate either personally, or as organizations. Please let us know if you would like any other meetings or if you have any other comments or questions.
- 2. 2022 continues the new seven year cycle started in 2020.** The final major group 'impact' has been made in 2019 prior to the next 100 year 'impulse' which happens during 2025.
- 3. It might be considered that these Group Meditations seek** to make use of the spiritual opportunities that the cycles of full moons, solstices and equinoxes, Group Festival Weeks and Centennial Impulse years provide. The unique energies associated with each constellation, season and longer cycles are directed into the consciousness as trans-formative qualities that can lift and expand our hearts and minds.
- 4. It might be considered that Group Living tends to the fulfillment of free will in service** and, as this is gradually understood, coming together to co-operate on issues for the benefit of the whole without intentions to dominate, interfere or impose on others. The vision is there, the future is assured, but the key to its successful implementation is that co-operation has to be based on intentions that are based on the good of the whole rather than a focus on self-interest.
- 5. In all meditation it is of value for the student to remember that**, from the standpoint of permanent benefit, it is easier to meditate effectively during the period from the new moon to the full moon, than from the full moon to the new moon. The first half of the lunar cycle is one of intensification, absorption and accretion; the second half is one of assimilation and distribution. More real progress over a long period can be made by observing this cyclic law.
- 6. Wisely utilizing newly acquired energies keeps inflowing and out flowing channels open** and prevents Sycal (psychical), Astral (emotional), Mental (intellectual) congestions, which may otherwise be experienced, with their accompanying physical consequences.
- 7. The following regular monthly cycle is for the group information flow:**
 - a. Full Moon (five days): Two days before, the day of (meditation), and two days after Full Moon for getting impressions.
 - b. The week after the 5 days of the Full Moon: For letting us know or sharing of any impressions during the preceding 5 days. Plus us transcribing our own impressions.
 - c. Second week after Full Moon for 'Anchoring' or 'Grounding' impressions through gathering other information or following up on activities based on the impressions. Possible New Moon meditation by those who want and ending that Full Moon Cycle.
 - d. Third week after Full Moon (just after the New Moon): Starting to build up to the next Full Moon having any questions to impressions shared and answered and any activities based on impressions started or completed.
 - e. Fourth week after the Full Moon (just before the next Full Moon): Coming out with the Keynote and information and timing of the next Full Moon, including the shared impressions or activity from the last Full Moon.

Addendum 1: Virgo, The Virgin, constellation hypothesizes and considerations on the 3 Crosses from EA:

VIRGO, THE VIRGIN

The sign Virgo is one of the most significant in the zodiac for its symbology concerns the whole goal of the evolutionary process which is to shield, nurture and finally reveal the hidden spiritual reality. This every form veils, but the human form is equipped and fitted to manifest it in a manner different to any other expression of divinity and so make tangible and objective that for which the whole creative process was intended. Gemini and Virgo are closely related but Gemini presents the pairs of opposites—soul and body—as two separate entities whereas in Virgo, they are blended and of great and supreme importance to each other; the mother protects the germ of the Christ life; matter guards, cherishes and nurtures the hidden soul. The keynote which embodies the truth as to the mission of Virgo most accurately is "Christ in you, the hope of glory." There is no clearer or more adequate definition of this sign than that; I would have you bear it in mind throughout our discussion upon this sixth sign of the zodiac (or the seventh if one is not considering the reversed wheel).

Virgo belongs to the earthy triplicity and an understanding of this triplicity will also be found illuminating. The three earth signs are Taurus-Virgo-Capricorn and they are related to each other in a peculiar way in connection with the non-sacred planet, our Earth. The relation with which we are concerned is that of the meeting and fusion of the energies of these three signs upon the Earth and their effect upon the kingdoms in nature which our Earth manifests. It might be said that:

1. Taurus.—Incentive behind evolution (Impulse). Desire for experience, for satisfaction.
The Light of Knowledge
2. Virgo.—Incentive behind discipleship (Goal). Desire for expression, spiritual desire.
The Hidden Light of God
3. Capricorn.—Incentive behind initiation (Service). Desire for liberation. Service desire.
The Light of Life

All these express desire as it merges into aspiration and in the process brings light and life to man. In Virgo, the purpose for which form life exists begins to be realised and the desire for personality satisfaction begins to change and the desire of man for interior recognition of the indwelling Christ begins to assume increasing control until the inner spiritual reality is eventually released from the thralldom of matter and becomes manifest in its own true nature in the world.

THE MUTABLE CROSS:

Virgo is one of the four arms of the Mutable Cross, and the four energies which constitute this Cross (for the three Crosses are crossed streams of energy) are expressive of the whole goal of man in four definite stages. This Mutable Cross is sometimes called "the Cross of Rebirth," emphasising the constant mutation of which it is the symbol and also the "Cross of Changing Lives." It pictorially represents the four critical points or movements in the span of existence of the soul in manifestation:

I. Gemini.

1. Essential unrelated duality. The Twins.
2. Sensed and recognised duality through
 - a. Mass fusion in Cancer.
 - b. Individual consciousness in Leo.
The stage of Humanity.

II. Virgo.

1. The period of the hidden germ of spiritual life.
2. The period of the active germ of spiritual life.
 - a. Gestation in the early stages.
 - b. The stage of quickened life.
The stage of Probation or Awakening.

III. Sagittarius.

1. Sense of duality ended. Fusion attained.
2. The one-pointed direct life.
The stage of Discipleship.

IV. Pisces.

1. Duality linked in synthesis. Compare symbols for Gemini and Pisces.
2. The emergence of the World Saviour.
The stage of Initiation.

Throughout this relation and as a result of the steady unfoldment of the soul principle runs the theme of service. In Gemini, the relation between the great duality of soul and body emerges in which, at this stage, the body or form serves the soul. In Virgo, matter or substance exchange or interchange their service and each serves the other. In Sagittarius, we find emerging the service of the One Life in terms of the service of the Hierarchy, the planetary expression of the idea of service, whilst in Pisces, there appears—as a result of the entire evolutionary process—the dedicated, trained and tested world Server or Saviour. It has been said that Virgo "involves the service of the immediately present" or in other words that God immanent evokes reaction from the form side and is thereby served.

The three Crosses—cosmic, systemic and human—are profoundly interesting in their inter-relation; this we shall discover when we come to study with care their significance, position and energising effect in the zodiac—both upon our planet and upon each other.

An idea of the general symbology of this Cross, from the quality angle, can be gained if we give the two sets of characteristics which distinguish the man upon this Cross—both unevolved man and the aspirant to divinity. We might list these as follows, finding for each arm a distinctive phrase :

| | | |
|---------------|--|---|
| | | Gemini—Changeableness. Instability. Interplay. |
| Unevolved man | | Sagittarius—Ambitious desire. Direction. Orientation. |
| | | Virgo—Material life. The cherishing of an idea. |
| | | Pisces—Sensation. Mediumship. Fluidity. |

| | | |
|-------------|--|--|
| | | Gemini—Recognition of soul and form. Soul interplay. |
| Evolved man | | Sagittarius—One-pointed spiritual aspiration. Disciples. |
| | | Virgo—The mother of the Christ Child. Gestation. |
| | | Pisces—The world Saviour. Mediatorship. |

1. The Mutable Cross—brings about those conditions which will produce great periods of change in the life of the planet, of a kingdom in nature or of a human being. Mercury plays a part in this.

2. The Fixed Cross—brings about, as a sequence, to these inner changes, certain great points of crisis which are unavoidable and present definite opportunity. Saturn is dominant in bringing this about.

3. The Cardinal Cross—is responsible for bringing about certain great points of synthesis, as a consequence of both change and crisis. Jupiter is responsible for the focussing of energies at this point.

For more information on the crosses go back to the 2022 and 2021 Full Moon Meditation Reports. If you need the reports sent to you again please let us know.

Conclusion (at this point):

May we consider together entering into that higher state of (group/soul) 'bewilderment' yet strength and unity from our lower state of personal certitude and isolation to possibly obtain a universal group consciousness.
